-  Abhishek Vishwakarma | GitHub
-  Sector 22, Noida, U. P.

## Education

- 2017-2019  
I have successfully completed my Intermediate education from an institution affiliated with the UP Board.
- 2019-2022  
I pursued a Diploma degree in EEE branch from an institution affiliated with B. T. E. U. P.

## Work Experience

- Fresher
  - Although I am a fresher, I have developed some API based and more software projects, which have provided me with hands-on experience in software development.

## Projects

- Basic Projects
  1. Log-in Form
  2. Currency Converter
  3. Tic-Tac-Toe
  4. Clock
  - I developed code for these projects using core HTML, CSS, JS.
  - In the Currency Converter project I use API for currency conversion.
- Advance Projects
  1. News App
  2. Portfolio Website
  - I wrote code for these projects using HTML, CSS, JS and React.
